This Luau is the ACNU annual fund raising event to support the Philippine Medical/Dental Mission and other community projects. All proceeds go toward the costs of the medical/dental supplies, medications, and equipments. None of the proceeds go toward the airfare, food, transportation, or hotel/housing accommodations. These are all personally paid by the ACNU members who participate in the Mission trip.

With your support and generosity, it will help provide medical and dental care at least 500 people each day for six (6) days. ACNU also learned that with the heavy rains & flooding, people get foot diseases. The public clinics always run out of foot powder/creams/sprays, so we hope to also raise enough funds for these items.

We look forward to sharing with you this fun-filled event for a worthy cause, and help provide medical and dental care to the less fortunate in our country, the Philippines.

Gratefully,

*Michael & Mary Kay (Aguas) Moore*
